## PRESIDENT'S MESSAGE

*Debbie Mahon,  
JRTCC President*

Thank you to everyone who has volunteered to man the booth for the All About Pets Show at the International Centre in Mississauga, Ontario. We still have a few spots vacant on Saturday if you would like to come out and give us a hand. Remember admission is free for those who volunteer so make a day of it and visit the show, then spend some time at the booth talking about our favorite terriers or possibly trying out the GTG equipment.

I'm receiving a fair number of enquiries concerning purchasing Jack Russell's and have been taking the time to explain our Clubs mission to preserve the working terrier and the lengths we go to as a

Club to ensure the long term health and wellness of the breed. I'm directing them to our Breeders List so hopefully you will hear from some of these potential Jack Russell owners in the future.

*Deb Mahon  
President, Jack Russell  
Terrier Club of  
Canada*

# Jack Spot Lite

(Jack Shot)

**I always knew the fabulous Ernie Esquire was star quality!**

I have two Jack Russells, Winfall Victoria (Tori) and Ernie Esquire (Ernie). I think both are adorable and of course, as Jack Russells go, we all know they're 'perfect'.

My sister is an actress who lives in BC. She has written a play which was produced and performed in Vancouver. The central character in her play is a

Jack Russell Terrier. Because of this play, she has been invited to the very prestigious 2011 Banff writers colony.

I am not surprised that a play with a Jack Russell Terrier was chosen and has become a hit. We all know that anything with a Jack Russell Terrier is bound to be spectacular. It appears others have finally caught on and realized that Jack Russell Terriers are perfect too.

My Ernie is going to be the star of the entire publicity campaign,

## Jack Snacks

### Homemade Training Treats

A favorite training treat is-boil beef liver until done, cut in what ever size you like, spread the pieces on a baking sheet and sprinkle with garlic powder. Bake in oven 350 degrees Fahrenheit until slightly dry. Bake a lot and freeze usable portions in Baggies. My guys even like them frozen!
