Introducing our Judges...

Conformation

Ted Harris, UK

You will likely find Ted and his terriers in the show results on *The Crawley and Horseman Hunt* website but, for the first time, you will find him judging in the ring of this year's JRTCC National Trial!

Having worked terriers for more than thirty-five years, Ted Harris, from the south of England, skillfully identifies the best of conformation, movement and temperament. A respected terrierman with both Jack Russell and Lakeland Terriers, he can boast being at the top of every major terrier show in England, including the Radley International, Greater Yorkshire, Stoneleigh International and the JRTCCGB National with his Brockton Terriers. Deciding which terriers most closely match the breed standard, Ted has judged the National Jack Russell Terrier shows of Germany, Sweden and South Africa, the Patterdale National Terrier Show of the United States and the International Terrier Show at Stoneleigh.

There can be no doubt that Ted is committed to keeping the working aspects of the Jack Russell Terrier in the forefront and that he will share his knowledge and expertise during the course of our trial.

We extend to him our sincere thanks for spending time with us and for adjudicating our terriers in Paris ON. Welcome to Canada, Ted!

Racing

Dean Stewart, CAN

A **JRTCC** Director, and Chairperson of the Judges Committee, Dean may likely attribute his involvement in the Club to his first JRT, *Chaos!* Like many of us who realize our terriers have to be kept busy, Dean keenly observed the trial scene, became an active participant and decided to complete the requirements to become certified as a JRTCC Go-To-Ground Judge and subsequently as a Racing Judge. Dean's teaching instinct kicks in whenever questions find him and he's always there to provide advice to handlers, judging apprentices and inquiring onlookers.

Dean has been judging in the JRTCC for many years and he also ensures that applications for JRTCC Hunting and Trial Certificates are processed. When teamed with his wife, Kelley, on the PA system, the racing event is bound to be kept on the go! So to all, remember to run to the catchers' area to get your jack because Dean will be watching! The JRTCC is very pleased that Dean will once again take on this *speedy* event at our National Trial!

Go To Ground

Rob Mahon, CAN

Although we know that the Mahon's first JRT, *Becky*, had found her calling in Agility, it was their JRT *Woodley* that led Rob, Debbie, *Becky* and JRT *Splash* into the tunnels (so to speak!) of Go-To-Ground! Eventually, the standard length of tunnel and turn just wouldn't be enough for any of them. Their back yard now boasts configured tunnels and numerous turns to provide a workout to be *envied!*

Rob and his wife Debbie are **JRTCC** members and very dedicated to providing earthwork opportunities both within and outside the Club. Their workshops have informed many owners and have led many a hesitant terrier 'to the ground'. Rob is the builder of our tunnel forms, plus many others, and he also sits on the JRTCC Judges Committee. Both Rob and Debbie are true Jack Russell owners/lovers willing to go the extra 'lengths' to challenge their terriers... and the rest of ours too! The Club is very pleased that Rob, a certified JRTCC Go To Ground Judge, will be reviewing our terriers at this year's JRTCC National Trial!

Agility

Sharon Dunsmore, CAN

Sharon Dunsmore was educated as a Clinical Nurse Specialist for Critical Care Units but she has now left nursing and has slowly changed her long time hobby with dogs into a large successful business. A professional dog trainer for the past 20 years, Sharon currently runs *K9 Klubhouse Behavioral Consultation and Dog Training*. She organizes and runs about 7 - 9 Agility Trials per year and is a CKC and AAC Agility Judge.

For the past 25 years Sharon has been breeding, showing and playing in various dog sports with her Bearded Collies and she has a huge interest in the many issues that face reputable breeders today. She tells us she's looking forward to meeting our agility JRTs!

The JRTCC is sure that the feeling is mutual, and warmly welcomes Sharon once again as Agility Judge to our National Trial!

Trailing & Locating and Super Earth

Joe Shapiro, USA

The JRTCC is delighted that Joe has agreed, once again, to make the trip north from our sister club, the **JRTCA**, to assume judging responsibilities! This year you'll find Joe at two sites ...Trailing & Locating and Super Earth. Joe grew up in northeast Indiana and, from an early age, recognized his enjoyment of dogs. Returning to Indiana in 1996, he and his wife, Brooks, acquired their first Jack Russell Terrier. We all know that our jacks are born to hunt and, sure enough, soon after, Joe went hunting in Ohio.... he was hooked on these little dogs!

So began a family kennel which would raise JRTs for conformation and working.

Joe admits that he loves to see the dogs work, fostering his decision to become a certified JRTCA working judge. He's been working jacks for over 13 years and has hunted all over the USA. His biggest thrill? To witness a novice terrier go into the field and begin to work the quarry. He notes that the terrier and the owner emerge closer to each other after the challenge.

Joe, like many of us, has made many good friends from his terrier experiences.

The JRTCC is sure he'll make many more at our 2010 JRTCC National Trial!

High Jumping and Ball Retrieval

Nick Pelych, CAN

Nick is a terrier owner who strives to be acutely aware of what his own terriers can, or cannot, do. He is also one to take a good look at all terriers in action and offer advice to handlers if he feels it would be helpful in these particular events. At the sites for High Jumping and Ball Retrieval, Nick doesn't hesitate to provide suggestions within the rules because he wants each terrier/owner to perform optimally as a team! Nick's involvement with the **JRTCC** goes back many years. Over this time he has entered his terriers in these two events, among others. With his well tuned observation skills, we're pleased that Nick will once again join us to assume the duties of judge for these events which, he maintains, foster important *team strategies* through fun experiences!

Barn Hunt

Krystyna Brooks, CAN

On one occasion in the USA, Krystyna discovered that the Barn Hunt event is a test of both handler *and* jack, much like a real hunting situation. The need for interaction between the two became very obvious, and the reward was that sense of accomplishment as her dogs located and marked that one tube containing the quarry. Krystyna maintains that a weekend at a trial with her active dogs is the *best it gets!* She has been involved with JRTs for a number of years now and she sits on the **JRTCC** Board of Directors as well as the Judges Committee. Krystyna understands the needs of our type of terrier, has hosted several JRTCC sanctioned trials and is a JRTCC certified Racing Judge. She and her husband, Bill, share their already *busy* household with their active jacks and they also ensure that our trial has a good supply of hay bales! Thank you, Krystyna, for facilitating the Barn Hunt opportunity at our JRTCC National Trial!

Lure Coursing

Gord Speares, CAN

Gord's involvement with the **JRTCC** and its affiliate, the Jack Russell Terrier Rescue of Ontario (JRTR), has continued to grow steadily. He has had a wide range of experiences with Jack Russell Terriers, both his own and the rescue JRTs he and his family foster regularly in their home. Gord is a certified JRTCC Racing Judge and member of the JRTCC Judges Committee. For Sunday's performance event, Gord will be tracking the speed, line and focus of our terriers as they race in the open field, doing their utmost to track, catch ...and devour that little white 'quarry'! Our judge will be very busy because, without doubt, Fun Lure Coursing for practice and the actual Lure Coursing competition are regarded as exciting draws for both owners and terriers when offered at events, including our National Trial! We thank Gord for overseeing the *Fun Lure Coursing* and judging this year's Lure Coursing division.

Brush Hunt

Bill Brooks, CAN

Bill is a volunteer firefighter with the Town of St. George, ON and has been involved with Jack Russell Terriers for 5.5 years. He has also been one of our *unassuming* JRTCC volunteers for five years! Being in the construction industry, it may explain why he can be seen hauling this and that to and from an event/trial site. What would we do without those hay bales!! Bill is presently apprenticing to be a Racing Judge with the JRTCC and he seemingly likes the 'speed' factor because he often substitutes for his wife, Krystyna, at flyball events with their JRT Mischief. It's no surprise that his other favorite things to do with their JRTs are Go To Ground and Lure Coursing. Bill has agreed to slow down his pace at this year's JRTCC National Trial and he'll be waiting for you and your terriers 'in the brush' as he assumes the role of Judge in an event relatively new for us... Brush Hunt.

Trial Relief Judge

Dan Stewart, CAN

He is a member of the Canadian Forces (Corporal, Army Reservist) and now has the distinction of being the JRTCC's youngest qualified racing judge! Dan was JRTCC Junior Handler in 2004 and has been a JRT *owner* for two years, but he has been on the Club scene and a presence at racing for more than eleven years. He started as a lure boy at age 11 and learned the ropes on his way up! Whether at the start box, or demonstrating proficiency in the catching pen, Dan is carrying on the Stewart Family tradition at the *JRT* race track, and also setting a fine example for youth competitors. The JRTCC congratulates Dan on his upcoming marriage later this year and is proud to welcome him as the Trial Relief Judge, filling in as required for divisions at this year's JRTCC National Trial.

Go To Ground (SANCTIONED)

1. A timed event which stimulates the natural instinct to hunt. The terrier enters an artificial 'den' to demonstrate its working ability by following the scent of the 'contained' rat at the end of the tunnel.
2. Any references made to a JRTCC trial will be understood to also include a JRTCA or AWTA trial.
3. Where stated that a JRTCC Trial Certificate must be provided for any Championship Certificate class, a JRTCA Trial Certificate or an AWTA Certificate of Gameness may be submitted, as may be qualifying score sheets for other Go To Ground classes.
4. Schooling prior to the competition is NOT permitted. Any violation of this rule shall result in disqualification of the schooled terrier from Go To Ground competition at this trial. No entry fees will be refunded.
5. *Any terrier that will be used for Child and/or Junior Handler GTG classes must first complete any GTG class into which it may be entered at this trial, including any Novice to Open move-up.*
6. Prior to the event, exhibitors are responsible for collecting any score sheets for their terriers at the registration area, for completing the pertinent information and, at the time of the competition, for taking them to the Den Steward for scoring by the Judge.
7. Exhibitors should examine the score sheets carefully as they contain important information regarding the requirements, specifications and judging criteria of each class.
8. Puppies holding a 100% Open Puppy or prior 100% Puppy Championship score sheet may compete in the Puppy Championship class, which determines the Puppy Champion and Reserve for the trial. Only adult terriers holding a JRTCC TRIAL CERTIFICATE may compete in the Championship Certificate classes, which determine the GTG Champions and Reserves for the trial.
9. A puppy that has competed in the Puppy Championship class must enter that class at trials until it turns one year old. A terrier issued a JRTCC Trial Certificate **must** always compete in the Championship Certificate class. Cross entering in Go To Ground is not permitted.
10. **With no exceptions**, to be submitted with entries **or** provided to the Den Steward at the time of judging for: Puppy Championship class – a copy of the 100% Open Puppy or prior 100% Puppy Championship score sheet; Adult Championship Certificate classes – a JRTCC Trial Certificate.

11. An adult terrier or puppy that qualifies in the Novice class at this trial, may “move up” to be entered into the Open class at this same trial by presenting the 100% Novice score sheet and paying the pre-entry class fee. Note that there will be *no move-ups from Open to either of Puppy Championship or Championship Certificate classes at this trial.*
12. A registered/recorded adult terrier that has previously scored 100% in the Open class at a JRTCC trial, may compete in Open GTG indefinitely, *or until such time as a JRTCC Trial Certificate has been requested by the owner and issued by the Judges Committee.* As well, an unregistered puppy (under one year) may compete in Open Puppy GTG indefinitely.
13. A puppy that has passed the Open Puppy and/or Puppy Championship class **must**, upon turning one year of age, be entered into the **Open Adult** GTG class unless, or until such time as, the terrier has been registered/recorded with the JRTCC **and** the 100% Open or Championship score sheet submitted to the JRTCC Judges Committee to be issued a JRTCC Trial Certificate.
14. Terriers which have previously scored 100% in a Puppy or Adult Novice class at a JRTCC trial may **not**, under any circumstances, compete in a Novice class again at any JRTCC sanctioned trial.
15. Exhibitors should read the complete Go To Ground Rules posted at the event site.
16. The starting line shall be placed two feet from the entrance hole. Timing starts when the terrier is released by the handler. The terrier is to be released so that all four feet are on the ground before crossing the starting line. The terrier may not be pushed or thrown toward the hole. Any violation of this rule, accidental or intentional, shall result in disqualification of the terrier from the class in which the violation occurs. No entry fees will be refunded.
17. After the terrier is released, the handler shall remain next to the entrance hole. Commands and encouragement may be given. The handler shall wait for the signal from the Judge before proceeding to the terrier’s location.
18. It is the exhibitor’s responsibility to collect the completed/signed score sheet from the Judge before leaving with the terrier.
19. If at any time during a GTG run the equipment fails, the terrier will be allowed a re-run at the end of the GTG event, after all other terriers have completed the GTG class.

To obtain a **JRTCC TRIAL CERTIFICATE** (no fee this year) for a terrier that is at least one year of age **and** is JRTCC/JRTCA registered/recorded, send the terrier’s 100% Puppy/Adult **Open** score sheet **or** Puppy Championship score sheet **signed** by the GTG judge, and with all pertinent information completed to: **JRTCC Judges Committee, 41 Bowden Street, Fort Erie ON L2A 2P5.** (Note: i- The owner *must* be a current member of the JRTCC. ii- If the terrier is not already registered or recorded, the score sheet may be submitted with that application to the JRTCC Registrar. 2. One encased quarry will be hidden within the brush area. No scent will be laid.
3. The handler and terrier will start inside the fenced area, at the entrance gate.
4. Timing begins when the terrier is released by the handler, who remains at the gate.
5. The terrier will be allowed a maximum of three (3) minutes to locate the quarry.
6. Approximately one minute after the release, at the signal of the judge, the handler may begin to give verbal encouragement only to the terrier and may also move about the enclosed area. Should the handler use body language/signals to assist the terrier at any time, the terrier will be disqualified.
7. At the end of the timed challenge, the handler will promptly retrieve the terrier and proceed outside the fenced area.
